

Item Donation Guidelines

1. All items to be auctioned off must be new. We will gladly accept used items that will then be funneled to charities for distribution.
2. All items donated will be auctioned off, however, if time does not allow all items to be auctioned, remaining items will then be donated to an appropriate charity, or sold online with all proceeds going to The Auction.
3. Most clothing items (unless they are logo wear) will be donated to needy organizations.
4. Gift certificates CANNOT be contingent upon a further purchase (for example, 30% off, buy 1 get 1 free, free fitting with purchase).
5. Gift certificates under \$100 cannot have an expiration date.
6. For on-air purposes/promotion of business, please include 2 or 3 items of interest about the company, we want to talk about them and say thank you!
7. Unfortunately, we cannot promise specific auction time (for example, 7pm Thursday) as well as grouping with another business. The auction takes on a life of its own and items are auctioned off depending on the current feel and flow.
8. Please, no minimum bid commitments.
9. All items are welcome except; live animals, firearms, real estate, alcohol (unless part of a gift basket), tobacco (unless part of a gift basket) and jewelry over \$100 without an appraisal letter.

Thank you for your generous support! Contact us with any questions at Jenn@ChildrensAuction.org
