

Fundraising

There's a thousand ways to raise money for the kids. First on the list, particularly this year, we recommend you take advantage of our fundraising software called GiveGab, where everyone can easily become an effective fundraiser.

For a fun and healthy way to raise money and build team spirit, check out Patrick's Shuffle, with a 2 +/- walk or jog every Wednesday in the spring and fall. A \$10 entry fee goes to the team of your choice and gives entry into the post-Shuffle raffle.

Each Challenge Team has the option to provide two items to the Children's Auction, and the high-bid amount will go towards your team total. Think BIG! Who do you know who can help with something exciting and valuable?

During the holiday season, there will be Children Auction ornaments that retail businesses can sell at their point-of-sale. Think restaurants and other high traffic locations. All ornament sales that your team initiates will be credited to your team total.

Lastly, we're happy to brainstorm with you and offer ideas and suggestions to create a fundraising vehicle that makes sense for you. Make sure to sign-up for the emails from the Children's Auction, as there will be webinars available on some of the finer points on the art and science of fundraising.

Below is a list of previous Pub Mania team fundraisers.

The sky is the limit.

What would be fun for you to create?
